■ Sales by Segment

| Condiments Products | Overseas demand for dressings was strong, resulting in higher sales. |
| :--- | :--- |
| Egg Products | Revenue decreased due to the impact of a poor domestic market for hen's eggs. |
| Delicatessen Products | Revenue increased due to an expansion into new sales channels and growth for cut vegetables as a result of a <br> sharp rise in vegetable prices. |
| Processed Foods | Revenue increased due to growth in pasta sauce that we upgraded and "Marugotokajitsu." |
| Fine Chemical Products | Revenue decreased due to a decline in EPA shipments for medical use. |
| Distribution System | Revenue increased as a result of progresses made in the expansion of service areas with existing customers and <br> an increase in consolidated subsidiaries. |

## Fiscal 2018 Interim Summary of Operating Income
